Effective Date, the Lheidli T'enneh Government may refer to the Dispute Resolution Chapter the issue of obtaining replacement land of comparable value under paragraph 36, to the extent necessary to ensure that the total amount of Lheidli T'enneh Lands would not, after dispute resolution, be less than the total area of Lheidli T'enneh Lands existing as of the Effective Date.

40. Where an issue is referred to the Dispute Resolution Chapter in accordance with paragraph 39, any determination of further compensation under paragraph 41 will be deferred until completion of the dispute resolution proceedings.
 41. The total value of the compensation provided by British Columbia will take into account the following factors:

 - d. the value of any special economic advantage arising out of or incidental to the occupation or use of the affected Lheidli T'enneh Lands to the extent that this value is not otherwise compensated; and

- c. Lheidli T'enneh may continue to use and occupy the land, except to the extent that such use or occupation is inconsistent with the use of land for which the expropriation took place.
- 44. In the event of an expropriation of a full interest, alternative land accepted by Lheidli T'enneh Government as compensation, or part of the compensation, under paragraph 36, British Columbia will under paragraph 17 consent to the inclusion of alternative land if the requirements of paragraphs 17.a to 17.c are met.
 - 45. Where an expropriated interest in Lheidli T'enneh Lands, be it the full interest or less than the full interest of Lheidli T'enneh in the Lheidli T'enneh Lands, is no longer required by British Columbia, the interest will be returned to Lheidli T'enneh subject to terms to be negotiated.
 - 46. The Minister responsible for the expropriating ministry or agency, without the consent of the Lieutenant Governor in Council, may:
 - a. decide that the interest is no longer required; and
 - b. determine the disposition of any improvements.
 - 47. For greater certainty, except to the extent that the provisions of this Chapter of the Final Agreement modify the application of provincial expropriation legislation to an expropriation under this Chapter, the provincial expropriation legislation applies to an expropriation under this Chapter.

AGREEMENT-IN-PRINCIPLE

July 26, 2003

WHEN THIS CHAPTER APPLIES TO A DISAGREEMENT

 - b. the implementation plan; or
 - c. conflicts or disputes where excluded from this Chapter.
8. Nothing in this chapter limits the application of a dispute resolution process, under any Law, to a conflict or dispute involving a person if that conflict or dispute is not a disagreement.

DISAGREEMENTS TO GO THROUGH STAGES

9. The Parties desire and expect that most disagreements will be resolved by informal discussions between or among the Parties without the necessity of invoking this Chapter.
-

LHEIDLI T'ENNEH
AGREEMENT-IN-PRINCIPLE

July 26, 2003

10. Except as otherwise provided, disagreements not resolved informally will progress until resolved through the following stages:
 - a. Stage One: formal, unassisted efforts to reach agreement between or among the Parties, in collaborative negotiations under Appendix K;
 - b. Stage Two: structured efforts to reach agreement between or among the Parties with the assistance of a neutral, who has no authority to resolve the dispute, in a facilitated process under K as applicable; and
 - c. Stage Three: final adjudication in arbitral proceedings under Appendix K or in judicial proceedings.
11. Except as otherwise provided, no Party may refer a disagreement to final adjudication in Stage Three without first proceeding through Stage One and a facilitated process in Stage Two as required in this Chapter.
12. Nothing in this Chapter prevents a Party from commencing arbitral or judicial proceedings at any time:
 - a. to prevent the loss of a right to commence proceedings due to the expiration of a limitation period; or
 - b. to obtain interlocutory or interim relief that is otherwise available pending resolution of the disagreement under this Chapter.

STAGE ONE: COLLABORATIVE NEGOTIATIONS

13. If a disagreement is not resolved by informal discussion and a Party directly engaged in the disagreement wishes to invoke this Chapter, that Party will deliver a written notice as required under Appendix K as soon as practicable to the other Parties requiring the commencement of collaborative negotiations.
 14. Upon receiving the notice under paragraph 13, a Party directly engaged in the disagreement will participate in the collaborative negotiations.
-

AGREEMENT-IN-PRINCIPLE

July 26, 2003

15. A Party not directly engaged in the disagreement may participate in the collaborative negotiations by giving written notice to the other Parties, preferably before the collaborative negotiations commence.
16. If the Parties have commenced negotiations in the circumstances described in paragraph 6.c, those negotiations will be deemed collaborative negotiations and the matter under negotiation will be considered a disagreement.
17. Collaborative negotiations terminate in the circumstances set out in Appendix K.

STAGE TWO: FACILITATED PROCESSES

18. Within 15 days of termination of collaborative negotiations that have not resolved the disagreement, a Party directly engaged in a disagreement, by delivering a notice to the other Parties, may require the commencement of a facilitated process.
 19. A notice under paragraph 18:
 - a. will include the name of the Party or Parties directly engaged in the disagreement and a summary of the particulars of the disagreement; and
 - b. may propose the use of a facilitated process described in paragraph 22.

 21. A Party not directly engaged in the disagreement may participate in the facilitated process by giving written notice to the other Parties within 15 days of delivery of a notice under paragraph 18.

LHEIDLI T'ENNEH
AGREEMENT-IN-PRINCIPLE

July 26, 2003

23. A facilitated process terminates:

- b. as agreed by the participating Parties, if an Appendix does not apply.

NEGOTIATING CONDITIONS

24. In order to enhance the prospect of reaching agreement, the Parties participating in collaborative negotiations or a negotiation component of a facilitated process will:

- b. is binding only on the Parties who have signed the agreement.

STAGE THREE: ADJUDICATION – ARBITRATION

- 26. After the later of termination of collaborative negotiations or of a required facilitated process in respect of a disagreement arising out of any provision of this Agreement that provides that a matter will be “finally determined by arbitration”, the disagreement will, on the delivery of a notice by a Party directly engaged in the disagreement to all Parties as required under Appendix K, be referred to and finally resolved by arbitration in accordance with that Appendix.
 - 27. After the later of termination of collaborative negotiations, or a required facilitated process in respect of any disagreement other than a disagreement referred to in paragraph 26, and with the written agreement of all Parties directly engaged in the disagreement, the disagreement will be referred to and finally resolved by arbitration in accordance with Appendix K.
 - 28. If two Parties make a written agreement under paragraph 27, they will deliver a copy of the agreement as soon as practicable to the other Party.
 - 29. Upon delivering a written notice to the participating Parties to the arbitration within 15 days after receiving a notice under paragraph 26 or copy of a written agreement under paragraph 27, a Party not directly engaged in the disagreement is entitled to be, and will be added as a party to the arbitration of that disagreement whether or not that Party has participated in collaborative negotiations or a required facilitated process.
 - 30. Notwithstanding paragraph 29, an arbitral tribunal may make an order adding a Party as a participating Party at any time if the arbitral tribunal considers that:
 - a. the participating Parties will not be unduly prejudiced; or
 - b. the issues stated in the pleadings are materially different from those identified in the notice to arbitrate under paragraph 26 or the written agreement to arbitrate in paragraph 27; and
-

LHEIDLI T'ENNEH
AGREEMENT-IN-PRINCIPLE

July 26, 2003

- c. in that event, the arbitral tribunal may make any order it considers appropriate or necessary in the circumstances in respect of conditions, including the payment of costs, upon which the Party may be added.

EFFECT OF ARBITRAL AWARD

- 31. An arbitral award is final and binding on all Parties whether or not a Party has participated in the arbitration.
- 32. Notwithstanding paragraph 31, an arbitral award is not binding on a Party that has not participated in the arbitration if:
 - a. the Party did not receive copies of:
 - i. the notice of arbitration or agreement to arbitrate; or
 - ii. the pleadings and any amendments or supplements to the pleadings; or
 - b. the arbitral tribunal refused to add the Party as a participating Party to the arbitration under paragraph 30.

APPLICATION OF LAW

- 33. No Law of any Party in respect of arbitration, except the settlement legislation, applies to an arbitration conducted under this Chapter.
- 34. A court must not intervene or offer assistance in an arbitration or review an arbitral award under this Chapter except as provided in Appendix K.

STAGE THREE: ADJUDICATION – JUDICIAL PROCEEDINGS

- 35. Nothing in this Chapter creates a cause of action where none otherwise exists.
 - 36. Subject to paragraph 37, at any time a Party may commence proceedings in the Supreme Court of British Columbia in respect of a disagreement.
-

LHEIDLI T'ENNEH
AGREEMENT-IN-PRINCIPLE

- a. the interpretation or validity of this Agreement; or
